WORKING EXPERIENCES

Holdstation - DeFAI Smart Wallet

Sep 2025 - Present

Growth Marketing Executive

- Drove top-of-funnel awareness through crypto-native meme and pain-point content on Facebook and X, with meme strategies—including targeted rage-bait and controversial "high-signal" narrative
- Structured social content to balance virality and trust, combining memes, product storytelling, and partner narratives (BNB Chain, WIFI) to educate users while sustaining engagement.
- Redesigned key landing pages across Holdstation and Holdstation Pay to reduce friction and improve conversion from both organic and performance traffic.
- Supported growth campaigns by storytelling in-app wins and user success stories into social proof narratives, increasing curiosity-driven engagement.
- Own in-app UI/UX flow and notification tactics to reinforce retention loops and bring users back into active usage.

Somnia Insights

August 2025 - Oct 2025

Social Media Manager

- Led X-first content strategy to grow Somnia's ecosystem presence, delivering insights, updates, memes, and educational posts to attract and activate users.
- Researched and highlighted ecosystem projects to shape narratives, surface opportunities, and support collaboration visibility.
- Executed lightweight growth campaigns with ecosystem partners, including NFT giveaways and social activations, to boost engagement and brand reach.
- Built and managed the Somnia Discord community, running game nights and live sessions to strengthen retention and community bonding.

InterLink Labs - Decentralized Human Network

March 2025 - July 2025

Growth Marketing Executive

- Led growth and community initiatives from early launch to **1.5M+ users**, focusing on acquisition, activation, and retention loops.
- Designed and executed performance-driven campaigns using referral, incentives, and in-app mechanics to scale active users.
- Built and scaled a Global Ambassador Program (3,000+ members) to drive community-led growth and content distribution.
- Coordinated ecosystem partnerships and co-marketing campaigns, onboarding **6,000+ users** across partner platforms.
- Coordinated KOL activations and regional community pushes across Vietnam, Indonesia, and global crypto hubs, blending paid seeding with organic spillover.
- Oversaw **community operations across Telegram and Discord**, running engagement campaigns and milestone activations to build trust and long-term participation.

HC Capital - Allinstation

April 2024 - Dec 2024

Content Creator

- Planned and published blog content on Allinstation WordPress, covering crypto market news, DeFi, RWA reports, and emerging narratives.
- Owned the **editorial workflow end-to-end**, from topic research and outlining to publishing and cross-channel distribution.
- Applied **on-page SEO fundamentals** to improve organic visibility and content performance.
- Built a consistent content cadence that developed daily and weekly reading habits for the platform.
- Amplified content reach through social distribution, including viral meme comics and reels on Facebook, Youtube & Tiktok reaching 1-2M users organically within one month.
