EDUCATION

Western Sydney University 2020–2024
Applied Finance

WORK EXPERIENCE

Holdstation Sep 2025–Present
Growth Marketing Executive

- Develop financial and product education for Facebook and X, translating wallet and DeFi concepts into accessible copy and visual content.
- Contribute to landing-page messaging, onboarding, campaign communication and brand storytelling.
- Plan World App activation and notification messaging; define dashboard requirements and review product activity using GA4 and on-chain data.

InterLink Labs 2025
Growth Marketing Executive

- Planned community AMAs and contributed to educational content and campaign communications.
- Coordinated KOL and co-marketing activities for Vietnam and Indonesia, alongside localized content, ambassador communications and community campaigns.

Somnia Insights Aug–Oct 2025
Social Media Manager

- Built an X content channel from scratch, handling research, editorial planning, copywriting, Figma visuals and publishing.
- Created ecosystem updates, project explainers and campaign content for the community.

SEA DePIN 2024–2025
Research and Content

- Produced research-backed educational reports, integration guides and infographics explaining technical products and ecosystem concepts.
- Prepared partner and event materials for regional ecosystem activities.

HC Capital / Allinstation Apr–Dec 2024
Content Creator

- Researched financial markets, DeFi, RWA and DePIN; wrote news, explainers and long-form articles for Vietnamese readers.
- Contributed to editorial scheduling, WordPress SEO, visual content and Facebook distribution.

Viet Dragon Securities Feb–Dec 2023
Equity Analyst Intern

- Analyzed financial statements, business models and sector drivers across petroleum, electricity and steel; prepared valuation work and research presentations for internal review.
